

## University of Illinois Extension Mobile Science Laboratory Safety Contract

The undersigned student agrees to observe the following safety and behavioral procedures while participating in activities on the Mobile Science Laboratory, and the undersigned parent consents to the student's participating and agrees that the student will observe the following safety and behavioral procedures.

1. Pay attention and follow all directions given by University of Illinois Extension staff
2. Behave in an orderly and mature manner
3. Wear lab coats, safety goggles, gloves, and any other safety equipment when directed by the instructor
4. Use equipment only as directed
5. Report any spills, breakage, or accidents to the University of Illinois Extension instructor immediately
6. Do not run or throw things onboard the Mobile Science Laboratory
7. Do not touch temperature controls, emergency door latch, wheelchair lift, fire extinguishers, satellite controls, or any other equipment unless directed
8. Do not eat or drink in the Mobile Science Laboratory
9. Do not chew gum in the Mobile Science Laboratory
10. Do not sniff or taste chemicals
11. Keep aisles and work stations clean and free of clutter
12. Return all materials and equipment when the lesson is completed

I agree to behave in a safe and responsible manner during participating in Mobile Science Laboratory activities. I realize that any behavior judged by the University of Illinois Extension instructors to be inappropriate, dangerous, or disrespectful will result in my removal from the Mobile Science Laboratory.
