

4-H Calendar

2023-2024

Use this form to keep track of your 4-H participation and experience. Try to make a habit of tracking your activities at least once a month, perhaps at the beginning of each monthly club meeting. This tracking sheet will assist you when filling out your end of year records.

Suggestions for Success: Participation, Service, Leadership, & Project Learning
Strive to complete at least one in each area! New types of activities should be attempted each year to show growth.

Sample Goals

Participation

- participate in at least one club activity
- participate in at least one activity at the county level or beyond

Service

- offer to organize a service project for your club
- identify a community partner who might assist with a fall collection drive

Project Mastery

- give a talk/demonstration to your club about your project
- look for online learning opportunities that are project related
- complete at least 3 activities in your project manual
- find a community expert and ask them some questions about your project
- ask 4-H staff about sharing your project knowledge with the county via a project workshop

Leadership

- run for an officer position or serve on a committee
- submit a testimonial video, sharing the 4-H experience with others
- invite a friend to a club meeting or county activity
